# Give your self a great boost in life!

# *Future Career*

## Let your mind come play and learn about your future

**This workshop** guides you to imagine a fulfilling career to do what you really want to do in life, with a **realistic plan to earn a good income.** The curriculum invites you to connect with your natural motivation that already lives inside you.

Enjoy an adventure of career wisdom and mutual respect among kind peers.

**This student attributes her $220,000** college scholarship to her Passion Spark experience, as does her counselor, in a letter, shown at PassionSpark.org/testimonials.

*"Education is not about the filling of a pail, but the lighting of a fire."* ~ W.B. Yeats

**This work is so important because** "70% of the workforce is dissatisfied" (Gallup). Job dissatisfaction and burnout do not support good mental health.

**Passion Spark began** as the Segue Career Guidance Program in 2003. Segue facilitated 90,000 student career exposures. Harvard University research found it generated statistically significant outcomes in key areas known to increase student success.
